505 US Highway 9  
Lanoka Harbor, NJ 08734

Dear Dave,

I would like to thank you and your organization for all the help you've given me over the years. I would never have been able to complete the CCR reports without your help. I would also like to thank you for your help with the lead and copper reports. This year you are helping me with a Public Notification Form that I need to fill out.

Without the courses NJWA gives I would have a difficult time getting my TCH credits.

Not only do I get my credits but the courses are very informative. The last course I attended fit right in with what I was working on. Being associated with the NJWA also keeps me in the loop since I have been retired for the last seven years. Thanks again for all your help.
